- Receipt can be issued automatically or on request after sale
- Electronic journal (2,500 lines)
- Up to 4 VAT rates
- Up to 4 foreign currencies
- 58 mm silent, thermal printer (7 lines per second)
- 5 line logo message for name, address and VAT number
- 5 line trailer for your advertising message
- Password protection for operators
- Password protection for management reports

Features

Long life thermal printer

AX-80's high quality 'drop and load' clam shell printer is normally only available on much higher priced models

Large, bright green display

The front and rear displays are angled for optimum viewing by customer and operator

Compact, lockable cash drawer

The cash drawer has 8 coin and 4 note compartments. The £50 note compartment is located under the removable coin tray for added security

Powerful, reliable yet economical, AX-80 delivers fully-featured ECR performance at remarkably low cost

Owing to its advanced design, AX-80 incorporates features normally only found on much higher priced ECRs. Security and control features can be programmed to suit your individual business needs.

Main Features

- Keyboard layout and transaction names can be changed by you
- Double-sided LED display
- Up to 16 departments (8 by shift)
- Up to 500 Price Look Ups
- Up to 10 named staff by ID
- Up to 10 groups
- Split payments (part cash/part card)
- Up to 9 display only reports
- 14 management reports (can be password protected)
- Separate passwords for sensitive operations - e.g. voids, error correct, returns
- Discounts (by percentage or manual entry)
- Time and date display
- Calculator function
- Daily and weekly (or monthly) reports for departments and price look ups
- Battery backed memory (700 hours) with battery low warning

Printing Features

- Fast, silent thermal 'drop and load' clam shell printer (no ribbon so print never becomes faint)
- Fully itemised receipt issued automatically or after sale on request
- Alphanumeric 5-line logo message, 24 characters per line
- Alphanumeric 5-line trailer, 24 characters per line for your advertising message
- VAT add-on or inclusive
- Electronic journal can print automatically at the same time as Z reports or on request

Management Features

- 14 Management Reports available daily and weekly (or monthly) for PLUs, departments, groups and staff
- 9 Display only reports - e.g. you can press one button to display cash in drawer amount or your net sales total
- Staff reports can include number and value of sales and voids/returns made by each staff member
- Hourly activity report
- Programmable transactions names (e.g. you could change 'Charge' to 'Visa')

- Cyclic electronic journal retains last 2,500 lines in memory
- Sections of the electronic journal can print on request e.g. sales made between 1.00 pm and 2.00 pm or sales made between sales record 25 and sales record 50
- Training Mode allows new staff training without interrupting normal business

Security Functions

- You can program separate passwords for X and Z reports, access to programming position, training mode and security sensitive operations such as voids and returns
- Staff ID can be made compulsory
- High amount lock out prevents over ringing

Dimensions

382mm(W) x 462mm(D) x 280mm(H)
